

Wave I-II Family Structure Array

- FAMST_0 - Family structure at birth
- FAMST_1 - Family structure at age 1
- FAMST_2 - Family structure at age 2
- FAMST_3 - Family structure at age 3
- FAMST_4 - Family structure at age 4
- FAMST_5 - Family structure at age 5
- FAMST_6 - Family structure at age 6
- FAMST_7 - Family structure at age 7
- FAMST_8 - Family structure at age 8
- FAMST_9 - Family structure at age 9
- FAMST_10 - Family structure at age 10
- FAMST_11 - Family structure at age 11
- FAMST_12 - Family structure at age 12
- FAMST_13 - Family structure at age 13
- FAMST_14 - Family structure at age 14
- FAMST_15 - Family structure at age 15
- FAMST_16 - Family structure at age 16
- FAMST_17 - Family structure at age 17
- FAMST_18 - Family structure at age 18

FAMST_0 - Family structure at birth

| Type | Code |
|------------------|--|
| Measurement Unit | numeric |
| FAMST_0 | Family Structure at Birth |
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |
| 6 | other: no co-resident biological parents or step-parents |

FAMST_1 - Family structure at age 1

| Type | Code |
|------------------|---------------------------|
| Measurement Unit | numeric |
| FAMST_1 | Family Structure at Age 1 |

| | |
|---|--|
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |
| 6 | other: no co-resident biological parents or step-parents |

FAMST_2 - Family structure at age 2

| | | |
|------------------|--|--|
| Type | Code | |
| Measurement Unit | numeric | |
| FAMST_2 | Family Structure at Age 2 | |
| 1 | two biological parents | |
| 2 | single biological mom | |
| 3 | single biological dad | |
| 4 | biological mom and first step-parent | |
| 5 | biological dad and first step-parent | |
| 6 | other: no co-resident biological parents or step-parents | |

FAMST_3 - Family structure at age 3

| | | |
|------------------|--|--|
| Type | Code | |
| Measurement Unit | numeric | |
| FAMST_3 | Family Structure at Age 3 | |
| 1 | two biological parents | |
| 2 | single biological mom | |
| 3 | single biological dad | |
| 4 | biological mom and first step-parent | |
| 5 | biological dad and first step-parent | |
| 6 | other: no co-resident biological parents or step-parents | |

FAMST_4 - Family structure at age 4

| Type | Code |
|------------------|--|
| Measurement Unit | numeric |
| FAMST_4 | Family Structure at Age 4 |
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |
| 6 | other: no co-resident biological parents or step-parents |

FAMST_5 - Family structure at age 5

| Type | Code |
|------------------|--|
| Measurement Unit | numeric |
| FAMST_5 | Family Structure at Age 5 |
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |
| 6 | other: no co-resident biological parents or step-parents |
| 7 | biological mom and second step-parent |

FAMST_6 - Family structure at age 6

| Type | Code |
|------------------|--------------------------------------|
| Measurement Unit | numeric |
| FAMST_6 | Family Structure at Age 6 |
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |

| | |
|---|--|
| 6 | other: no co-resident biological parents or step-parents |
| 7 | biological mom and second step-parent |

FAMST_7 - Family structure at age 7

| | |
|------------------|--|
| Type | Code |
| Measurement Unit | numeric |
| FAMST_7 | Family Structure at Age 7 |
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |
| 6 | other: no co-resident biological parents or step-parents |
| 7 | biological mom and second step-parent |

FAMST_8 - Family structure at age 8

| | |
|------------------|--|
| Type | Code |
| Measurement Unit | numeric |
| FAMST_8 | Family Structure at Age 8 |
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |
| 6 | other: no co-resident biological parents or step-parents |
| 7 | biological mom and second step-parent |

FAMST_9 - Family structure at age 9

| | |
|------------------|---------|
| Type | Code |
| Measurement Unit | numeric |

| FAMST_9 | | Family Structure at Age 9 |
|---------|--|---------------------------|
| 1 | two biological parents | |
| 2 | single biological mom | |
| 3 | single biological dad | |
| 4 | biological mom and first step-parent | |
| 5 | biological dad and first step-parent | |
| 6 | other: no co-resident biological parents or step-parents | |
| 7 | biological mom and second step-parent | |

FAMST_10 - Family structure at age 10

| Type | Code |
|----------------------------|--|
| Measurement Unit | numeric |
| FAMST_10 | |
| Family Structure at Age 10 | |
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |
| 6 | other: no co-resident biological parents or step-parents |
| 7 | biological mom and second step-parent |

FAMST_11 - Family structure at age 11

| Type | Code |
|----------------------------|--------------------------------------|
| Measurement Unit | numeric |
| FAMST_11 | |
| Family Structure at Age 11 | |
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |

| | |
|---|--|
| 6 | other: no co-resident biological parents or step-parents |
| 7 | biological mom and second step-parent |

FAMST_12 - Family structure at age 12

| Type | Code |
|------------------|--|
| Measurement Unit | numeric |
| FAMST_12 | Family Structure at Age 12 |
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |
| 6 | other: no co-resident biological parents or step-parents |
| 7 | biological mom and second step-parent |
| 10 | not observed at this age |

FAMST_13 - Family structure at age 13

| Type | Code |
|------------------|--|
| Measurement Unit | numeric |
| FAMST_13 | Family Structure at Age 13 |
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |
| 6 | other: no co-resident biological parents or step-parents |
| 7 | biological mom and second step-parent |
| 8 | biological mom and third step-parent |
| 10 | not observed at this age |

 FAMST_14 - Family structure at age 14

| Type | Code |
|------------------|--|
| Measurement Unit | numeric |
| FAMST_14 | Family Structure at Age 14 |
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |
| 6 | other: no co-resident biological parents or step-parents |
| 7 | biological mom and second step-parent |
| 8 | biological mom and third step-parent |
| 10 | not observed at this age |

 FAMST_15 - Family structure at age 15

| Type | Code |
|------------------|--|
| Measurement Unit | numeric |
| FAMST_15 | Family Structure at Age 15 |
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |
| 6 | other: no co-resident biological parents or step-parents |
| 7 | biological mom and second step-parent |
| 10 | not observed at this age |

 FAMST_16 - Family structure at age 16

| Type | Code |
|------------------|---------|
| Measurement Unit | numeric |

| FAMST_16 | | Family Structure at Age 16 |
|----------|--|----------------------------|
| 1 | two biological parents | |
| 2 | single biological mom | |
| 3 | single biological dad | |
| 4 | biological mom and first step-parent | |
| 5 | biological dad and first step-parent | |
| 6 | other: no co-resident biological parents or step-parents | |
| 7 | biological mom and second step-parent | |
| 10 | not observed at this age | |

| FAMST_17 - Family structure at age 17 | |
|---------------------------------------|--|
| Type | Code |
| Measurement Unit | numeric |
| FAMST_17 | |
| Family Structure at Age 17 | |
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |
| 6 | other: no co-resident biological parents or step-parents |
| 7 | biological mom and second step-parent |
| 10 | not observed at this age |

| FAMST_18 - Family structure at age 18 | |
|---------------------------------------|------------------------|
| Type | Code |
| Measurement Unit | numeric |
| FAMST_18 | |
| Family Structure at Age 18 | |
| 1 | two biological parents |
| 2 | single biological mom |
| 3 | single biological dad |

| | |
|----|--|
| 4 | biological mom and first step-parent |
| 5 | biological dad and first step-parent |
| 6 | other: no co-resident biological parents or step-parents |
| 7 | biological mom and second step-parent |
| 9 | biological dad and second step-parent |
| 10 | not observed at this age |
