

## Parents (2015-2017) National Death Index File

### Title

Parents (2015-2017) National Death Index File

### Abstract

Parents (2015-2017) - National Death Index File

This file contains the underlying cause of death and days alive after the Wave I interview for Wave I parents selected for the Parents Phase 2 interview who are coded as deceased in the disposition file.

Variables: 5

Observations: 226

### Variables
