

Wave I & II School Desegregation Disparities

Number of observations: 84,166

Statistics have not been generated for this dataset.

Census region of students <input type="checkbox"/> residential school district (Wave I)	SCSR01W1	char 8
Year district dismissed from court order (for Wave I school districts)	SCSD01W1	char 8
The first fall districts were no longer subject to a desegregation order (Wave I school districts)	SCSD02W1	char 8
Black/White district-level school segregation at the Wave I interview (Dissimilarity Index)	SCSD03W1	num 8
Black/White district-level school segregation in the district students were attending at the Wave I interview (Exposure Index)	SCSD04W1	num 8
District-level residential (between tract) segregation at Wave I interview (as measured by the Black-White Dissimilarity Index)	SCSD05W1	num 8
District-level residential (between tract) segregation at the Wave I interview (as measured by the Black-White Exposure Index)	SCSD06W1	num 8
Census tract residential segregation in the 1990 Decennial Census in respondents <input type="checkbox"/> Wave I tract (measured as a G* statistic)	SCST01W1	num 8
Average Black/White district-level school segregation between 1991 and Wave I (Exposure Index)	SCSD07W1	num 8
Average Black/White district-level school segregation between 1991 and Wave I (Dissimilarity Index)	SCSD08W1	num 8
Number of schools in Wave I district in year of interview	SCSD09W1	num 8
Percent White students in Wave I district in year of interview	SCSD10W1	num 8
Percent Black students in Wave I district in year of interview	SCSD11W1	num 8
Percent Hispanic students in Wave I district in year of interview	SCSD12W1	num 8
Percent students eligible for free/reduced price lunch in Wave I district in year of interview	SCSD13W1	num 8
Total district enrollment in Wave I district in year of interview	SCSD14W1	num 8
Census region of students <input type="checkbox"/> residential school district (Wave II)	SCSR01W2	char 8
Year district dismissed from court order (for Wave II school districts)	SCSD01W2	char 8

The first fall districts were no longer subject to a desegregation order (for Wave II school districts). Year district dismissed from court order (for Wave II school districts)	SCSD02W2	char 8
Black/White district-level school segregation at the Wave II interview (Dissimilarity Index)	SCSD03W2	num 8
Black/White district-level school segregation in the district students were attending at the Wave II interview (Exposure Index)	SCSD04W2	num 8
Census tract residential segregation in the 1990 Decennial Census in respondents <input type="checkbox"/> Wave II tract (measured as a G* statistic)	SCST01W2	num 8
Average Black/White district-level school segregation between 1991 and Wave II (Exposure Index)	SCSD07W2	num 8
Average Black/White district-level school segregation between 1991 and Wave II (Dissimilarity Index)	SCSD08W2	num 8
Number of schools in the Wave II district in year of interview	SCSD09W2	num 8
Percent White students in the Wave II district in year of interview	SCSD10W2	num 8
Percent Black students in the Wave II district in year of interview	SCSD11W2	num 8
Percent Hispanic students in the Wave II district in year of interview	SCSD12W2	num 8
Percent students eligible for free/reduced price lunch in the Wave II district in year of interview	SCSD13W2	num 8
Total district enrollment in the Wave II district in year of interview	SCSD14W2	num 8
Whether participant moved school districts between Wave I and Wave II	SCSD15	char 8
Average Black/White district-level school segregation between 1991 and high school graduation (Exposure Index)	SCSD16	num 8
Average Black/White district-level school segregation between 1991 and high school graduation (Dissimilarity Index)	SCSD17	num 8
Census tract residential segregation in the 2000 Decennial Census in respondents <input type="checkbox"/> Wave III tract (measured as a G* statistic)	SCST01W3	num 8
Census tract residential segregation in the 2010 Decennial Census in respondents <input type="checkbox"/> Wave IV tract (measured as a G* statistic)	SCST01W4	num 8
Census tract residential segregation in 2014-2018 (ACS 5-year) in respondents <input type="checkbox"/> Wave V tract (measured as a G* statistic)	SCST01W5	num 8
