- 1940 - Please tell me if you think the following statement is true or false: When a woman has sexual intercourse, almost all sperm die inside her body after about six hours.
- 1941 - Please tell me if you think the following statement is true or false: When a woman has sexual intercourse, almost all sperm die inside her body after about six hours. How confident are you that your answer is correct?
- 1942 - Please tell me if you think the following statement is true or false: When using a condom, the man should pull out of the woman right after he has ejaculated.
- 1943 - Please tell me if you think the following statement is true or false: When using a condom, the man should pull out of the woman right after he has ejaculated. How confident are you that your answer is correct?
- 1944 - Please tell me if you think the following statement is true or false: Most women's periods are regular, that is, they ovulate (are fertile) fourteen days after their periods begin.
- 1945 - Please tell me if you think the following statement is true or false: Most women's periods are regular, that is, they ovulate (are fertile) fourteen days after their periods begin. How confident are you that your answer is correct?
- 1946 - Please tell me if you think the following statement is true or false: Natural skin (lamb skin) condoms provide better protection against the AIDS virus than latex condoms.
- 1947 - Please tell me if you think the following statement is true or false: Natural skin (lamb skin) condoms provide better protection against the AIDS virus than latex condoms. How confident are you that your answer is correct?
- 1948 - Please tell me if you think the following statement is true or false: When putting on a condom, it is important to have it fit tightly, leaving no space at the tip.
- 1949 - Please tell me if you think the following statement is true or false: When putting on a condom, it is important to have it fit tightly, leaving no space at the tip. How confident are you that your answer is correct?
- 1950 - Please tell me if you think the following statement is true or false: Vaseline can be used with condoms, and they will work just as well.
- 1951 - Please tell me if you think the following statement is true or false: Vaseline can be used with condoms, and they will work just as well. How confident are you that your answer is correct?
- 1952 - Please tell me if you think the following statement is true or false: The most likely time for a woman to get pregnant is right before her period starts.
- 1953 - Please tell me if you think the following statement is true or false: The most likely time for a woman to get pregnant is right before her period starts. How confident are you that your answer is correct?
- 1954 - Please tell me if you think the following statement is true or false: Even if the man pulls out before he ejaculates (even if ejaculation occurs outside the woman's body), it is still possible for the woman to become pregnant.

- 1955 - Please tell me if you think the following statement is true or false: Even if the man pulls out before he ejaculates (even if ejaculation occurs outside the woman's body), it is still possible for the woman to become pregnant. How confident are you that your answer is correct?
- 1956 - Please tell me if you think the following statement is true or false: As long as the condom fits over the tip of the penis, it doesn't matter how far down it is unrolled.
- 1957 - Please tell me if you think the following statement is true or false: As long as the condom fits over the tip of the penis, it doesn't matter how far down it is unrolled. How confident are you that your answer is correct?
- 1958 - Please tell me if you think the following statement is true or false: In general, a woman is most likely to get pregnant if she has sex during her period, as compared with other times of the month.
- 1959 - Please tell me if you think the following statement is true or false: In general, a woman is most likely to get pregnant if she has sex during her period, as compared with other times of the month. How confident are you that your answer is correct?

📦 1940 - Please tell me if you think the following statement is true or false: When a woman has sexual intercourse, almost all sperm die inside her body after about six hours.

Please tell me if you think the following statement is true or false: When a woman has sexual intercourse, almost all sperm die inside her body after about six hours.

📦 1941 - Please tell me if you think the following statement is true or false: When a woman has sexual intercourse, almost all sperm die inside her body after about six hours. How confident are you that your answer is correct?

Please tell me if you think the following statement is true or false: When a woman has sexual intercourse, almost all sperm die inside her body after about six hours. How confident are you that your answer is correct?

📦 1942 - Please tell me if you think the following statement is true or false: When using a condom, the man should pull out of the woman right after he has ejaculated.

Please tell me if you think the following statement is true or false: When using a condom, the man should pull out of the woman right after he has ejaculated.

1943 - Please tell me if you think the following statement is true or false: When using a condom, the man should pull out of the woman right after he has ejaculated. How confident are you that your answer is correct?

Please tell me if you think the following statement is true or false: When using a condom, the man should pull out of the woman right after he has ejaculated. How confident are you that your answer is correct?

1944 - Please tell me if you think the following statement is true or false: Most women's periods are regular, that is, they ovulate (are fertile) fourteen days after their periods begin.

Please tell me if you think the following statement is true or false: Most women's periods are regular, that is, they ovulate (are fertile) fourteen days after their periods begin.

1945 - Please tell me if you think the following statement is true or false: Most women's periods are regular, that is, they ovulate (are fertile) fourteen days after their periods begin. How confident are you that your answer is correct?

Please tell me if you think the following statement is true or false: Most women's periods are regular, that is, they ovulate (are fertile) fourteen days after their periods begin. How confident are you that your answer is correct?

1946 - Please tell me if you think the following statement is true or false: Natural skin (lamb skin) condoms provide better protection against the AIDS virus than latex condoms.

Please tell me if you think the following statement is true or false: Natural skin (lamb skin) condoms provide better protection against the AIDS virus than latex condoms.

1947 - Please tell me if you think the following statement is true or false: Natural skin (lamb skin) condoms provide better protection against the AIDS virus than latex condoms. How confident are you that your answer is correct?

---

Please tell me if you think the following statement is true or false: Natural skin (lamb skin) condoms provide better protection against the AIDS virus than latex condoms. How confident are you that your answer is correct?

1948 - Please tell me if you think the following statement is true or false: When putting on a condom, it is important to have it fit tightly, leaving no space at the tip.

Please tell me if you think the following statement is true or false: When putting on a condom, it is important to have it fit tightly, leaving no space at the tip.

1949 - Please tell me if you think the following statement is true or false: When putting on a condom, it is important to have it fit tightly, leaving no space at the tip. How confident are you that your answer is correct?

Please tell me if you think the following statement is true or false: When putting on a condom, it is important to have it fit tightly, leaving no space at the tip. How confident are you that your answer is correct?

1950 - Please tell me if you think the following statement is true or false: Vaseline can be used with condoms, and they will work just as well.

Please tell me if you think the following statement is true or false: Vaseline can be used with condoms, and they will work just as well.

1951 - Please tell me if you think the following statement is true or false: Vaseline can be used with condoms, and they will work just as well. How confident are you that your answer is correct?

Please tell me if you think the following statement is true or false: Vaseline can be used with condoms, and they will work just as well. How confident are you that your answer is correct?

1952 - Please tell me if you think the following statement is true or false: The most likely time for a woman to get pregnant is right before her period starts.

Please tell me if you think the following statement is true or false: The most likely time for a woman to get pregnant is right before her period starts.

📦 1953 - Please tell me if you think the following statement is true or false: The most likely time for a woman to get pregnant is right before her period starts. How confident are you that your answer is correct?

Please tell me if you think the following statement is true or false: The most likely time for a woman to get pregnant is right before her period starts. How confident are you that your answer is correct?

📦 1954 - Please tell me if you think the following statement is true or false: Even if the man pulls out before he ejaculates (even if ejaculation occurs outside the woman's body), it is still possible for the woman to become pregnant.

Please tell me if you think the following statement is true or false: Even if the man pulls out before he ejaculates (even if ejaculation occurs outside the woman's body), it is still possible for the woman to become pregnant.

📦 1955 - Please tell me if you think the following statement is true or false: Even if the man pulls out before he ejaculates (even if ejaculation occurs outside the woman's body), it is still possible for the woman to become pregnant. How confident are you that your answer is correct?

Please tell me if you think the following statement is true or false: Even if the man pulls out before he ejaculates (even if ejaculation occurs outside the woman's body), it is still possible for the woman to become pregnant. How confident are you that your answer is correct?

📦 1956 - Please tell me if you think the following statement is true or false: As long as the condom fits over the tip of the penis, it doesn't matter how far down it is unrolled.

Please tell me if you think the following statement is true or false: As long as the condom fits over the tip of the penis, it doesn't matter how far down it is unrolled.

📦 1957 - Please tell me if you think the following statement is true or false: As long as the condom fits over the tip of the penis, it doesn't matter how far down it is unrolled. How confident are you that your answer is correct?

Please tell me if you think the following statement is true or false: As long as the condom fits over the tip of the penis, it doesn't matter how far down it is unrolled. How confident are you that your answer is correct?

📦 1958 - Please tell me if you think the following statement is true or false: In general, a woman is most likely to get pregnant if she has sex during her period, as compared with other times of the month.

Please tell me if you think the following statement is true or false: In general, a woman is most likely to get pregnant if she has sex during her period, as compared with other times of the month.

📦 1959 - Please tell me if you think the following statement is true or false: In general, a woman is most likely to get pregnant if she has sex during her period, as compared with other times of the month. How confident are you that your answer is correct?

Please tell me if you think the following statement is true or false: In general, a woman is most likely to get pregnant if she has sex during her period, as compared with other times of the month. How confident are you that your answer is correct?
